Extension of import free storage period at DBGT from 22.03.2020 to 14.04.2020

Dear Customers,

In continuation to the pandemic COVID-19 situation, Govt. of India has taken mitigation measures to deal with the disruptions by complete lockdown curbing the movement of people and transport. DBGT continues to operate as part of essential services as declared by Ministry of Shipping, Govt. of India. Also DBGT is committed in providing safety and service continuity to all our stakeholders.

At this juncture, We thank our customers for your continued support on seamless evacuation of containers from our Terminal premises and ensuring smooth functioning of trade.

As the current situation has created disruptions of downstream services and shortage of drivers transporting containers by trucks between CFS's, factory, hinterland and the Terminal, on merit basis, we extended free storage for all import containers, laden and empty for the period from 22.03.2020 to 14.04.2020

We thank you for your continued business and support during this time.
